

BEST FRIENDS

printable post cards

Send a happy note to your friends who are stuck inside!

Print and color one of our postcard designs or use the blank template to design your own!

After you've created your masterpiece, add a friendly or encouraging note on the back side to your friends!

Once complete, cut on the solid lines. Fold on the dotted line, glue the folded pieces together and drop it off in your friend's mailbox for a friendly surprise!

If you're looking to mail your postcard masterpiece, we suggest to use cardstock that is at least .007 thick.

Don't forget the stamp!
