WHO CAN BOOK A PARTY?

Parties are available to everyone! To book the party, you must be aged 18 or over. Each party must be accompanied by an adult. We recommend a minimum of 6 guests and a maximum of 20 for any Claire's party. However, this may vary by store.

WHAT IS THE COST OF A PARTY?

The total cost of a party will be dependent on the total number of guests in your party and the themes and accessories you choose. We'll help you customise a party to suit your budget. To reserve your chosen party date, simply purchase a £50 gift card. This can then be redeemed against the total cost of your party and you can top up whenever you like.

WILL THE PARTY BE HELD WHILST THE STORE IS OPEN OR CLOSED?

This will be dependent on the number of guests in your party, and the availability within the individual store. Our party planning team will find the perfect solution for your party.
